Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Continuation of 4(e) Other: Claim 11 is non-elected by original presentation because it now claims a concrete mixture and not the originally claimed "article". Applicants were requested to amend this back from mixture to article but did not do so and it they now claim an invention non-elected by original presentation. Applicants are again requested to amend back to their originally claimed invention, delete "mixture" and insert therefore --article-- in claim 11. It is also noted that claims 20-22 will not be examined because they are directed to a concrete article which is also an invention non-elected by original presentation..
